THREE SCHOOL TRUSTEES CHOSEN

C. E. Tennesson, C. E. Dare and T. E. Dyson Elected by Council

ROAD IS DISCUSSED

Firemen Pay Boosted $10 a Month—Health Department Asks Permission to Collect $6,000 Due for Sewers.

At a joint session of the city council held last night the following were elected school trustees: Charles E. Tennesson, first ward; Charles E. Dare, third ward; Thomas E. Dyson, fourth ward. They take the places of George E. Warfield, Harry Hammond and T. Clifton Howard, who were recently elected, but who declined to serve.

Councilman Ticer nominated Mr. Tennesson and Councilman McCaffrey nominated J. Frank Pettey. The vote on the first ballot was eighteen to one in favor of Mr. Tennesson.

Councilman Baggett nominated Charles E. Dare from the third ward and he was chosen without opposition.

Councilman Lawler nominated Thomas T. Dyson from the fourth ward and Councilman Fletcher nominated Thomas Chauncey.

Four ballots were taken before Mr. Dyson was elected, it required a majority of the two boards or thirteen to elect. The result by ballots in their order follow: First, Dyson 10; Chauncey 9; second, Dyson, 11; Chauncey, 8; third, Dyson, 12; Chauncey, 7; fourth, Dyson, 13; Chauncey 6.

The salary of the paid employees of the city fire department was increased $10 a month on the recommendation of fire and finance committees. This includes four operators and five assistant operators.

An amendment of Councilman McCaffrey to make the chief operators pay $125 a month and the assistan $115 a month was lost by a vote of 8 to 1.

Petition signed by three men asking permission to erect metallic trash boxes on the principal streets, they to be lettered with advertisements was referred to the street committee.

The employees of the Old Dominion Glass Company, who were joined by the employees of the Bryant Fertilizer Company, petitioned for the improvement of the roadway and sidewalks on Fairfax between Princess and Montgomery streets. It was set forth in the petition that the men have to wade through mud in order to reach their work. On motion of Councilman Lawler, George D. Hopkins, secretary and treasurer of the Old Dominion Glass Company, was given the floor and addressed council on the subject. He said that for the past ten years the Old Dominion Company has been endeavoring to get council to fix this road and that several years ago the sum of $2,500 was appropriated for the work but never expended.

During the past eighteen or twenty years his company's payroll he said totaled four million dollars. All the men want he said is a passable roadway, as the present road is so bad the men wade over their shoetops in going and coming from work. Mr. Hopkins stated that he understood that a fertilizer company would soon erect a plant to cost a million dollars in this neighborhood. President Burke gave assurance that something definite would be done without delay and the matter was referred to the street committee.

The health department of the city petitioned council that there is about $6,000 owing for sewer frontage and taps, a greater part of which has been standing for two years, and they asked that they be allowed to collect same, it being set forth that this money would allow that department to abate various conditions now a menace to public health. It was referred to the joint committee on streets, health and finance.

An act to regulate the price of gas, which is the same as the prevailing rate was referred to the joint committee on light and finance.

Petition signed by a number of business concerns for fire plug at the intersection of St. Asaph and Wythe streets, was referred to the fire committee.

Resolution to repair walls at city jail was referred to the public property and finance committee. Mrs. Belle E. Mudd was granted permission to erect four five room frame houses, three on Princess between Pitt and St. Asaph and one on St. Asaph between Queen and Princess streets. Resolution to rebate Mt. Vernon Garage on license paid was referred to finance committee. Petition of Armour and Company to erect gasoline tank on Henry street between Cameron and Queen streets, was granted. Bill of health department for $150.67 was referred to health and finance committee. Corporation Attorney Garner submitted report on hearing before state corporation commission on increase in telephone rates. Bill of Mrs. Minnie Touart for $20 for damages to automobile presented by Corporation Attorney Garner was referred to claims committee.

Eliza Rector was granted permission to make repairs to 1411 Duke street.

The health department, Dr. Louis Foulks, city health officer, submitted his semi-annual report showing the activity of that department for the past six months ending December 31, 1919.

A. H. S. DEFEATS BRIARLY HALL

The basketball team of the Alexandria High School defeated the team of Briarly Hall Military School in a one sided contest last night on the High School floor. The visitors were not allowed to make a single field goal during the game.

Dreifus did some fine playing for the High School, he having made 9 of the 20 field goals. West did fine playing in the way of guarding and the team, all around, showed marked improvement over the Martinsburg game. The score was: A. H. S., 40; B. H. M. S., 4.

Time of quarters, 8 minutes; Referee, Alexander.

Substitutions in the last quarter were: Jackson for Dreifus, Oliver for Midkiff and Hicks for Knight.

Saturday evening there will be two games with Warrenton High School, both boys and girls. A spirited contest is assured and it is hoped that a large crowd will come out in support of the home team.

CAMPAIGN ON FOR COMMUNITY SERVICE

Work Established Here 60 Days Ago by National Organization

TO BE PERMANENT

Committee Expresses Hope That Liberal Contributions Will be Given the Solicitors.

It has been definitely determined that Alexandria will have a Community Service and a campaign is to begin now to raise the necessary amount to satisfactorily do the work that is being done in other cities throughout the country.

During the War the War Camp Community Service was established in this city for the care and entertainment of all men in uniform. Through the patriotism of Alexandria Lodge, B. P. O. of E., the Elks' Home was used as an Enlisted Men's Club and the register shows that thousands of men from all states of the union, and many from foreign countries, were furnished meals, sleeping accommodations and recreation and hundreds of letters have been received expressing appreciation for the reception, comfort and many courtesies given by the people of Alexandria through this Service.

The war is over and Alexandria, as a result of the war, has benefited in large manufacturing institutions, employing hundreds of men, many of whom have come into this community with their families to make it their home, provided equal opportunities and advantages are developed here. Cities throughout the country have for years been engaged in planning play grounds, parks, open air concerts and other amusements for the population at large, and Alexandria has all the opportunities possessed by other communities, which if developed will make our town a better place to live in. The consumation of this work means that it will be necessary to have men and women trained to teach children how to play and to plan good wholesome recreation for the people. The conscience of the older people must be awakened.

The Community Service of this city is a branch of the National Community Service and the office here will have the benefit of what plans have yielded the best results in other cities. We will have the benefit of the experience of other cities.

This work was established here sixty days ago at the expense of the National Organization and the committee in charge of the present campaign for funds to continue the work state that all money contributed will be used in the work here. All funds collected will be expended by the executive committee in charge of the local community service. This means that the recreational center which has been established at the southeast corner of Royal and Prince streets, or a larger place, will be continued. Those not acquainted with the work now being done will find their interest quickened if they were to visit the present Center and see the large number now enjoying the limited number of amusements offered.

The campaign for funds is to be intensive and a committee of citizens is now engaged in soliciting funds. The work will be successful and beneficial in proportion to the subscriptions received. It is, therefore, hoped that interest in a live and better community will inspire liberal contributions.

COUNTRY CLUB

A final meeting to decide whether to form a Country Club will be held in the Chamber of Commerce, Thursday, January 15th, at eight o'clock. All members and especially those of the Membership Committee are requested to come and bring final lists, as 75 more names are required to complete the quota to make possible the plans for a club. This must be the deciding meeting as the option on the land expires January 23. 10-4o.

FAMOUS BEAUTIES COMING

All of Alexandria is looking forward to the arrival of the famous Mack Sennett dolls who are due to reach this city next Tuesday morning and who are to appear Tuesday and Wednesday on the stage of the Ingomar Theatre in conjunction with the much heralded feature photoproduction "Yankee Doodle in Berlin." This is Mack Sennett's greatest film and is in five parts. Bothwell Browne, the famous impersonator will also appear at the Ingomar. Mr. Browne is featured in the Sennett photoplay. It will be a gala week all in all and many novel entertainments have been planned by the Ingomar management for the benefit of the Sennett beauties.

BRYANT COMPANY TO ERECT FACTORY

Big Building Planned by Subsidiary of Virginia Carolina Co.

MAY START IN SPRING

To be Erected on River Front Just North of City—Seven Acre Tract Acquired by Company.

The Bryant Fertilizer Company a subsidiary of the Virginia-Carolina and Chemical Company expects to shortly erect a big fertilizer factory in this city.

Plans for the factory are now being prepared and it is expected that arrangements will soon be completed which will result in the starting building operations early in the spring.

This concern recently acquired a tract of land consisting of seven acres of property on the river front of North Royal street extended just north of the limits, which property is located in Alexandria county. This was the Smoot property. On this site will be erected the big factory building which will cost several hundred thousand dollars. However, up to the present time it is not definitely known just how much will be spent for construction.

W. G. Harvey, Jr., president and secretary of the Bryant Fertilizer Company, today stated that just as soon as the plans are completed for the factory work will be started. The present factory of the company located at the corner of Duke and Union streets, he explained is entirely too small for the constantly growing business of this concern.

It also is reported that the Baugh Fertilizer Co., of Baltimore, contemplates locating in Alexandria and probably will secure a river front site.

GOLDEN ANNIVERSARY

Mr. and Mrs. W. D. Zimmerman Celebrate at Their Home

Mr. and Mrs. William D. Zimmerman of 200 South Pitt street, last night celebrated their golden wedding anniversary at their home. The affair was attended by their four children and seven grandchildren. Only the immediate family attended. During the evening refreshments were served and all present wished Mr. and Mrs. Zimmerman many more years of happiness.

Mrs. Zimmerman was a Miss Missouri Mills, daughter of the late James L. Mills of this city, and they were married in Washington D. C., fifty years ago yesterday. Both are natives of this city. Mr. Zimmerman is a cornicemaker by occupation and at the present time is employed by the J. D. Thompson Company, Washington.

The four children are Miss Mamie Zimmerman, Mrs. Missouri Young, Warren Zimmerman and James L. Zimmerman.

GILPIN WITHDRAWS FROM CAUCUS RACE

Clarke County Man, Declaring Himself Beaten, Gets Out of Running

ASSEMBLY MET TODAY

Governor Davis Read His Message in Person Before Joint Session of the Legislature.

Richmond, Jan. 14.—Richard L. Brewer, jr., of Nansemond, for several years chairman of the Committee on Appropriations, was nominated as Speaker of the House of Delegates of Virginia last night at the Democratic caucus, and when the House convened in its first formal session today at noon he was elected to the office. Saxon Holt, of Newport News, was nominated as president pro tem. of the Senate.

The nomination of Mr. Brewer came as the climax to a hardfought fight between him and Kenneth N. Gilpin, of Clarke County. After the name of Mr. Brewer was placed in nomination last night, Mr. Gilpin advanced to the center of the hall and announced that he had frankly been beaten, and that he would ask that his name be withdrawn.

After Mr. Brewer's nomination had been seconded by Edward R. Fuller of Richmond and three other members of the caucus, a motion was put and carried that Mr. Brewer's nomination be made unanimous. The prospective Speaker was escorted into the House chamber by Parke P. Deans, who placed his name in nomination, and the members who seconded the nomination.

When the General Assembly convened formally today. Governor Davis addressed the joint session in person. He had been working on his message for many days.

One of the matters which Governor Davis took up in his address was an explanation of the working of the first State budget ever compiled.

James H. Price, member of the House of Delegates from Richmond, was elected permanent chairman of the House caucus last night. His election was unanimous, as he was without opposition. The caucus was called to order by Delegate John Cherry, of Norfolk, the oldest member of the House in point of service. Mr. Price's election was followed by the election of Delegate J. Sinclair Brown as secretary of the caucus.

By virtue of his election as chairman of the House caucus, Mr. Price will serve as chairman of the joint House and Senate caucus when it meets Thursday night to elect a successor to Judge Stafford Whittle, of the Supreme Court of Appeals, three State officials and fourteen circuit and corporation judges. Resolutions calling for the joint caucus Thursday night were passed by both branches of the Legislature last night.

John W. Williams, clerk of the House for many years, and one of the most popular State officials in office, was re-elected clerk by acclamation.

WOULD DIE WITH FATHER

Grafton, W. Va., Jan. 14.—John Wesley Kearns while despondent from illness gashed his throat with a razor at his home near Knottsville Monday night, and following his removal to his home from the city hospital here, he tore open the wound with fatal results. He is survived by three sons and two daughters.

Following her fathers act, the daughter, Delphis, who has also been ill, attempted suicide in a similar manner, using a butcher's knife. A son, Floyd, who recently returned from service in France, is suffering from shell shock and it is necessary to keep close watch on him.

MASONIC NOTICE

There will be a called convocation of Mount Vernon R. A. Chapter No. 14, Wednesday evening, January 14th, 1920, at 7:30 p. m., for the purpose of conferring the Mark and Past Master Degrees.

By order of the High Priest.

ROYAL ARCANUM

Newly Elected Officers Installed—Reports Submitted

An interesting meeting of Alexandria Council No. 627, Royal Arcanum, was held last evening in Pythian Temple on Cameron street. The attendance was gratifying. The auditing committee submitted an interesting report which showed the council to be in a splendid condition. Following other routine work Deputy Grand Regent, James Bayne, installed the recently elected officers who will serve during the present year. They were as follows: Past Regent, W. H. Thorpe; Regent, James Bayne; Vice Regent, Alvin Powell; Orator, C. T. Hellmuth; Secretary, J. E. Alexander; Collector, James H. Mansfield; Treasurer, George Uhler; Chaplain, James R. Mansfield; Guide, O. S. Stone; Warden, Richard Simmonds; Sentry, R. F. Featherstone; Trustees James R. Mansfield, James G. Graham, and Alvin Powell, and Representative to the Grand Council W. H. Thorpe.

The members of the organization in this city are particularly gratified at the success made not only by the local council but the order in general during the past year. Nothing succeeds like success and success has attended the efforts of the organization during the past year. During the past four months three thousand three hundred and thirty four members have been added to the organization and in this large increase the local council has its part. The progress in the order has been wonderful and it still continues to grow and prosper. The organization is one of the safest, most solvent and progressive organizations of its kind in this country today. All it has done in the past but points the way to what it means to do in the fautre. The solvency of the organization is unquestioned and its plans are adaptable to human needs. The record of the organization is behind it and the future stretches straight away in front of it, and its pages are white and unsullied, and the local council with its sister councils throughout the country proposes to write upon them a record of successful achievement. The local council anticipates during this year to make all of its meetings interesting to its large membership.

BASKETBALL

The Snaps and Peps of the Junior Girls Lyceum Club, played their first game of basketball last night at the Lyceum. Both teams made a good showing and the game from start to finish was a real contest which resulted in a victory for the Peps, the score being 20 to 10. There was a large and enthusiastic crowd present.

The players are as follows: Snaps Misses Dorothy Nugent and Mary Hamilton, Forwards, Gladys Yates and Agnes Jenkins, Guards and Theresa Boyd, Center.

Peps:—Misses Margaret Shuman and Eileen Dyson, Forwards, Margaret Griffith and Courtney Nugent, Guards, and Margaret Armstrong, Center.

Misses Margaret Whitestone and Eleanor Nugent are the coaches for these teams.

IN MEMORIAM

McDONALD—In sad but loving remembrance of our darling little boy, Harvey Franklin, who was called away from us 9 years ago today, January 14, 1911.

Called home by early doom,
Just came to show how sweet a flower,
In Paradise would bloom.
An angel took this lovely plant,
This pleasing human flower,
Away from frosts of winter,
To bloom in God's own bower.

VIRGINIA LEGISLATURE

The regular biennial session of the Virginia General Assembly convened in the State Capitol in Richmond today.

It has before it one of the largest legislative programs in the history of the State. Foremost in interest of those expected to be introduced is a bill bearing on the present prohibition enforcement system.

The adoption of a State budget will be made for the first time in Virginia.

The new budget system, which was adopted at the last regular session of the Assembly, provides for a "budget advisory committee," which has prepared a budget with the Governor. All proposed appropriations first are submitted to the State Executive.

A fight over the abolition of the office of State Prohibition Commissioner is expected to develop when Delegate E. P. Buford, of Lawrenceville, Va., offers a bill, as he has publicly declared he would do, designed to dispense with the present system of prohibition enforcement in the State. Mr. Buford, as well as a number of other members of the present Assembly, was elected on a platform calling for the elimination of the commissioner's office.

There will be a fight for the House Speakership, in which Delegate R. L. Brewer, of Nansemond county, will oppose Delegate Kenneth Gilpin, of Clarke county.

This year's Assembly convenes with the largest number of Republican members in the history of the State, 20 having seats in both boies.

Action on the proposed modification of the so-called Sunday "blue laws" in Virginia, will be a feature of this session.

CONTESTS FOR POSITIONS

Only occasionally since the adoption of the Underwood Constitution fifty-one years ago, and the inauguration of the public schools, have there been contests in the City Council for positions as Trustees. Vacancies have recently existed in the First, Third and Fourth wards. Charles E. Dare was selected last night without opposition for the Third ward, but two candidates loomed up for the honor of representing the First ward on the School Board. Charles E. Tennesson and J. Frank Pettit were placed in nomination. One vote decided the issue. Mr. Tennesson received 18 votes, and Mr. Pettit one.

The storm centre, however, was in the Fourth ward. Thomas Chauncey and Thomas E. Dyson had been groomed by their friends. It took four ballots to settle the issue, Mr. Dyson winning.

It is often difficult to induce citizens to stand for election to the City School Board, as the position requires considerable time as well as thought. Recently, it will be remembered, several representative citizens who had been elected School Trustees declined to serve, they not having the time to devote to the proper exercises of the duties of the position.

It is a good omen when capable citizens offer to serve the city in complimentary positions.

ALEXANDRIA'S RISING TIDE

The statement made in the City Council last night to the effect that Alexandria is about to have two more plants added to the enterprises which have lately come to us sent a thrill of gladness into the souls of all who have induged optimistic visions during the past years. It is now known that two large fertilizer plants are about to be constructed on our confines.

It may be stated that a few days ago it was whispered that capitalists were propounding significant questions concerning property in the southwestern section of this city where it is believed other enterprises are contemplated.

The two fertilizer factories referred to are to be placed, it is said in the extreme northeastern section of the city, or on the river front, in close proximity to what was once the outlet lock of the old Alexandria Canal.

This section was a lively part of Alexandria when the city was a coal shipping depot. The arrival and departure of boats running between this city and Cumberland brought business to that section, while the hundreds of men employed in loading the large schooners with coal for northern ports spread prosperity over the entire community.

These new enterprises will make up for that lost by Alexandria in the passing away of the canal.

PRESIDENT'S REPORT
Of the Citizens National Bank

At the annual meeting of the stockholders of the Citizens National Bank the president's report was submitted as follows:

To the Stockholders of the Citizen's National Bank, Alexandria, Va.

Gentlemen:—

In submitting to you my report as President for the past year I take pleasure in stating that the increase of your Company's Capital Stock as authorized by you at your meeting on January 14th, 1919 from $100,000 to $200,000, was consumated, and approved by the Comptroller of the Currency, under date of February 4th, 1919.

The amount of money brought into the Bank as Capital, Surplus and Undivided Profits, as of the date mentioned was, $215,000.00 making your Capital $200,000.00, your Surplus $200,000.00 and Undivided Profits approximately $28,000.00.

The stock was largely oversubscribed by the public thus evidencing the standing of your institution in the community. It was very gratifying to your Directors to know that the increase in Capital Stock was so popularly received.

The number of stockholders was increased by this operation from 58 to 125. The growth in deposits during the year amounts to $670,000.00 and the expansion in loans amounts to $521,000.00. The earnings of the bank were satisfactory and the losses not large.

The regular dividend of 12 per cent has been easily maintained and paid to stockholders, notwithstanding the increase of the Capital Stock, and in addition the sum of $10,000.00 has been added to the Surplus fund as of December 31st, 1919, thus showing the desire of your Board to increase the permanent working capital of your bank, as the business of the bank increases and prospers.

The taxes paid during the year amount to $5,890.12, and is in the judgement of your President an excessive amount. We desire your cooperation in every effort that is put forth to reduce the rate of taxes on bank shares and bank profits.

In order to properly and intelligently take care of the bank's growing business the working force was increased during the year, from thirteen to sixteen.

During the year Mr. Richard M. Green, Cashier, was promoted to the position of Asst. Vice-President, Mr. M. L. Dinwiddie, Asst. Cashier, was promoted to the position of Cashier and Mr. J. S. Douglas, Jr., was elected Assistant Cashier.

We are especially proud of the fact that the detail work of the Institution all during the year has been in better condition than it was during the strenuous war time period.

The semi-annual examination by the Bank Examiner, a copy of which is on file with your President, shows that no items of criticism were held by the bank.

It has been the custom of your Board to examine the bank annually during the month of January and as the National Bank Examiners were in the bank during the past week, it was decided to consolidate their examination with that of the Bank Examiners and this examination was made together.

This examination was completed on January 9th, 1920 and for your information, pleasure is taken in stating that again the report is made that no items of criticism are held by the bank. We take great pleasure indeed in stating that the National Bank Examiners extended their congratulations to the clerical force for the condition in which they found the detail work of the bank.

The total assets of the bank are larger at the present time than at any time during the bank's existence and the prospects for continued growth are good.

We bespeak the united effort of all the stockholders in the effort we are making to further increase our business during the current year.

Respectfully submitted
Edward L. Daingerfield,
President.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold annually at 10c and 25c. Take one or two nightly and note the pleasing results.

HEAL SKIN DISEASES

Apply Zemo, Clean, Penetrating, Antiseptic Liquid

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 35c, or $1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.

After using two bottles of Leonard Ear Oil my hearing was improved to almost normal condition. As I am 75 years old, all said I must expect to be deaf, but thanks to Leonard Ear Oil I don't have to be deaf.

GLAD TO TESTIFY

Says Watega Lady, "As To What Cardui Has Done For Me, So As to Help Others."

Watega, W. Va.,—Mrs. S. W. Gladwell, of this town says: "When about 16 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache and bearing down pains, and would just drag and had no appetite. Then it would last two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years.

Begin taking Cardui today. It may be the very medicine you need.

ON occasion. One of these occasions was when his faithful servant allowed his hand to slip—whereupon the General arose in his wrath and finished the job himself; for the Father of our Country was very properly fond of a good, clean shave.

And in his simple shaving kit may still be seen his equally simple razors. While their model is many hundred years old, they have never been bettered in *heft*, or *shearing width*, or *right shaving angle* on the face.

At such times when his old servant failed him, Washington would have appreciated the guarded, two edged blade of the Durham-Duplex because he would have found it nothing more than his own well-loved model *made safe*.

DURHAM-DUPLEX

A Real Razor—made Safe

Exactly the same shape and balance in the hand that uncounted generations of shavers have brought to perfection—*with these extra advantages:* (1) a *guarded* blade that can't cut your face. (2) a *double-edged* blade for economy's sake. (3) a *detachable* blade for the luxury of a fresh edge at a moment's notice. (4) a *stroppable* blade, so that you don't have to throw good steel away. And it's the longest, strongest, keenest, *best-tempered* blade on earth. Seven million shavers have found that the Durham-Duplex gives them more shaving mileage than any other safety razor. Get your Durham-Duplex *today*.

EDITORIAL

It has always been the policy of this store to refrain from advertising sales when we felt that there was no cause for them and consequently they have not been frequent.

In these days of high prices, the prices of a great many of our lines have become prohibitive.

We are therefore forced to discontinue quite a few and we wish to announce that on these numbers, we have greatly reduced the prices, some below cost; and we are confident that you will find here bargains of exceptional merit.

PUTTING ON THE FACTORY FINISH

Some shoe repairers do good work repairing a shoe but fall down on the shaping and finishing of it. That's where we shine. We learned our trade where shoes are made and finished in the first place, and so we know how to add that last touch which makes or mars a shoe. When you get our shoe, you'll say, "Looks just like a new one."

IS YOUR BLOOD HUNGRY FOR IRON?

Who Should Take Nuxated Iron

Modern Methods of Cooking and Living Have Made An Alarming Increase in Iron Deficiency in Blood of American Men and Women

NUXATED IRON Helps Make Red Blood

The Kind That Puts Roses Into the Cheeks of Women and Force Strength and Courage Into Veins of Men.

"Is your blood starving for want of iron? Iron is red blood food. If you were to go without eating until you became weak, thin and emaciated, you could not do a more serious harm to yourself than when you let your blood literally go hungry for want of iron—iron that gives it strength and power to change food into living tissue," says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital.

"Modern methods of cooking and the rapid pace at which people of this country live has made such an alarming increase in iron deficiency in the blood of American men and women that I have often marveled at the large number of people who lack iron in the blood—and who never suspect the cause of their weak, nervous, run-down state. But in my opinion, you can't make strong, sturdy men and women by feeding them on metallic iron. The old forms of metallic iron must go through a digestive process to transform them into organic iron—Nuxated Iron—before they are to be taken up and assimilated by the human system. Notwithstanding all that has been said and written on this subject by well-known physicians, thousands of people still insist in dosing themselves with metallic iron simply, I suppose, because it costs a few cents less. I strongly advise readers in all cases to get a physician's prescription for organic iron—Nuxated Iron—or if you don't want to go to this trouble, then purchase only Nuxated Iron in its original packages and see that this particular name (Nuxated Iron) appears on the packages. If you have taken preparations such as Nux and Iron and other similar iron products and failed to get results, remember that such products are an entirely different thing from Nuxated Iron."

If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have increased their strength and endurance in two weeks' time while taking iron in the proper form.

Breaks a Cold in a Few Hours

"Pape's Cold Compound" Instantly Relieves Stuffiness and Distress

Don't stay stuffed-up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all grippe misery.

The very first dose opens your clogged-up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and cost only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's!

DANGERS OF A COLD

Alexandria People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Alexandria resident's example:

C. E. Davis, fireman, truck and engine company No. 1, says: "I have used Doan's Kidney Pills off and on for a good many years and they have always given me wonderful relief. My trouble has been brought on by being out in all kinds of weather and catching colds which settle in my kidneys. Then my back gets sore and weak and I can hardly get around. The kidney secretions will pass irregularly and make me get up often at night. However, I find I can rely on Doan's Kidney Pills to give me the desired relief. My kidneys have never been in bad condition since I started using Doan's Kidney Pills for those attacks."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Davis had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Hearty Praise from Cleveland Six Owners

The Cleveland Six will dominate the light car field because it is so much better. It will sell because it gives so much more in smooth-flowing power, in ease of riding, in style and quality, than other light cars. Thousands of Cleveland Sixes are on the road right now, performing in every sense and in the last degree right up to expectations.

Dealers demanding much have driven Clevelands thousands of miles across country, over every kind of roads, putting the car to every conceivable test. And they say there is no other light car like it. No other that will do so much and do it so well and so economically.

Cleveland owners are enthusiastic about its ease of driving. "It handles like a feather." "You can drive it with one finger." "It just almost steers itself." These and hundreds of other phrases of praise come from enthusiastic Cleveland owners.

"It steps out as fast as any car that was ever built." "The speedometer slips around to forty or fifty before you know it." "There's practically no vibration." "It fairly glides over long mountain climbs." Cleveland owners tell us all these things and they will tell you if you ask them.

To really know and appreciate the Cleveland, to understand all that we mean when we say it is so much better, you must *ride in it* and *drive it*.

Why Don't You Take "Cascarets" for Your Liver and Bowels and Feel Cheery, Fit and Fine?

Cascarets end biliousness, headache, colds, and constipation so gently you're never even inconvenienced. There is no griping and none of the explosive after effects of cathartics like Calomel, Salts, sickening Oil or cramping Pills. Why don't you take Cascarets and get rid of the bowel and liver poison which is keeping you miserable and sick? Cascarets cost little and work while you sleep.

When You Think of Real Estate

Just Remember That No One Can Serve You Better Than Agnew.

I believe I can truthfully say that I haven't had a single dissatisfied customer. Indeed most of those to whom I have sold property, have assured me that they could have realized an immediate profit.

I have also apparently satisfied the seller as well, as there has never been a "hitch" of any kind, in any deal I have made.

Whether your desire is to buy or sell, consult me. I promise to transact your business with dispatch.

Wanted---Red Blooded Men!

Happy and Successful People Everywhere Are Always in Great Demand

Best Friends—Red-Blooded

Pepto-Mangan Produces Better Blood —Sold in Liquid and Tablet Form.

Get into the red-blood class if you are not there now. Take a few weeks' course of that splendid tonic—Pepto-Mangan and note how you improve in health and looks. Pepto-Mangan is a red-blood maker and is for sale at the drug store right near your home. It is put up in both liquid and tablet form. Take which you choose, but see that the name "Gude" is on the package. Without "Gude" it is not Pepto-Mangan.

It is the cry everywhere—"Wanted—Red-Blooded Men." The soldiers and sailors that won the war were red-blooded, two-fisted fellows. In business it is the red-blooded man that stands the strain and wins the big successes. The world has no place for the thin-blooded weakling. It is natural, too, that red-blooded men and women should have more friends, and they do. They are better human beings than the thin-blooded anemics, who are likely to be "grouchy" and irritable most of the time.

Cut Lengths of Silk

Brings Many Delightful Surprises to Economical Women

The first surprise is that we can have such a sale at all, when many silks and velvets are so scarce and all prices are advancing.

But we have had a wonderful silk season and as a result have a big assortment of lengths to dispose of. To these we add several fortunate purchase lots from New York dressmakers.

These are fine dress silks in plain and fancy weaves—vestees, duvetyns, etc., in lengths suitable for dresses, blouses, skirts and coats.

All at Greatly Reduced Prices

Substitution Is Robbery

Dry Cleaning doesn't mean sponging off your clothes with gasoline, merely dissolving the spots and making them spread—eventually coming out larger than ever before.

It Is a Fact That

Our method of cleaning is thoroughly rinsing the garment—using the latest improved methods. Afterward, deodorizing it, leaving absolutely no odor.

Inspect your linings before and after.

No extra charge for scouring or steam cleaning—water is cheaper than gasoline. You are getting service second to none. A trial is convincing.

We turn nothing down—furs, silks, crepes, kid gloves, pleated work, etc.
